14 **UNDERLYING MDL COURT AND**
15 **VACATING HEARING**

16 This miscellaneous discovery matter arises out of an action pending in the Middle
17 District of Florida. All parties, including the subpoenaed party, agree that this matter should be
18 referred to the Middle District of Florida for resolution. The matter will be stayed pending
19 resolution by that court. The matter will remain open here, however, to enforce whatever relief
20 is ordered by that court. The undersigned would prefer to dismiss this miscellaneous matter
21 entirely now, but this would require Zantaz to submit to the jurisdiction of the Middle District
22 of Florida, at least for the purposes of this motion. Please advise the Court by **FRIDAY,**
23 **DECEMBER 21, 2007**, at **NOON** whether Zantaz will submit to the jurisdiction of the Middle
24 District of Florida (for this limited purpose) and whether this matter may be dismissed entirely.
25 If it is not, then all counsel are required to appear in person on **THURSDAY, JANUARY 17, 2008,**
26 at **8:00 A.M.** to advise the Court of the status. The hearing set for December 20, 2007, is
27 **VACATED.**

28 **IT IS SO ORDERED.**

Dated: December 19, 2007.
